### ECOLOGY

- Matkovskiy A.K., Makarenkova I.Y., Stepanova V.B., Abdullina G.H., Knyazeva N.S., Vylezhinsky A.V., Bondar M.S., Krasnoperova T.A.*  
Results of long-term ecological monitoring of oil throughput in the Ob Bay ..... 4
- Semenova L.A.*  
Studying phytoplankton of the Nadym River..... 19
- Uvarova V.I., Matkovskiy A.K., Kovalenko A.I., Zakharova T.V.*  
Baseline indicators of the aquatic environment in the Ob Bay within the district of a sea channel by Sabetta settlement ..... 29

### BIOLOGICAL RESOURCES

- Matkovskiy A.K.*  
On matters of use of stake nets for estimation of fish abundance ..... 44
- Kozmin A.K., Bulatova I.V., Borovskoy A.V.*  
Morphological features and state of peled stocks  
(*Coregonus peled* (Gmelin, 1788)) in the Pechora River Basin..... 54
- Krokhalevskiy V.R., Semenchenko S.M., Matkovskiy A.K.*  
Ecological and legal issues of fishing regulation in the Northern Sosva River Basin ..... 61
- Fuks G.V., Sherstkov V.S., Frolov S.B., Bezborodov A.S., Kozakov R.V., Pastukhov S.V., Goncharov Y.V.*  
Coefficients for reconstruction of zoological length an Smith-derived length of some commercial fishes in the Northern fishing basin on the basis of standard fish length..... 74

### FISHERIES AND AQUACULTURE

- Smeshlivaya N.V., Semenchenko S.M.*  
Effects of pH on duration of sperm motility and rate of successful fertilization of whitefish (*Coregonidae*) spawn ..... 82
- Prusevich L.S., Egorov E.V., Zaytsev V.F., Tsapenkov A.V.*  
Monitoring of zooplankton in lake Saltaim-Tenis (Western Siberia) due to development of pastutable fish farming..... 89
- Rules for authors of Bulletin of Fisheries Science..... 100
